

Assistance for Swiss citizens during the natural disasters in Australia

The natural disasters of the past months have been tragic. Our thoughts have been with the victims of the flooding in Queensland and Victoria, as well as the victims of cyclone Yasi. During these periods the Consulate General's office has occupied itself with ensuring that all Swiss citizens living or travelling in the affected areas have been safe both during and after the disasters. Emails to Swiss citizens living in the affected areas were sent out and our Honorary Consuls were tasked to phone around in order to get information from Swiss citizens living in areas affected by the disasters. On the website of the Federal Department of Foreign Affairs in Bern Swiss travellers could find updated information about the situation in Queensland and Victoria during the crisis. This "early warning" approach affected the itinerary of many Swiss tourists but prevented the travellers from unpleasant surprises. The Consulate has been contacted by many Swiss living in Switzerland worried for their relatives in Australia, whether here as a tourist or resident. Fortunately all queries led to a happy ending.

Shortly after the end of the floods in Queensland, the Consulate contacted the Swiss Community Care Societies in Queensland and New South Wales to make sure that an interim-aid for affected Swiss citizen could be set up immediately and without bureaucracy. In the mean time the Consulate contacted all registered Swiss citizen in Queensland by e-mail and asked them to contact the Swiss Care Society directly in case of need. In this context the Swiss Department for foreign affairs donated 10000 Swiss Francs to the Swiss Community Care Society to help Swiss citizens badly affected by the floods. The Swiss Care Society has already examined several cases of affected countrymen and the first cheques have been sent out.

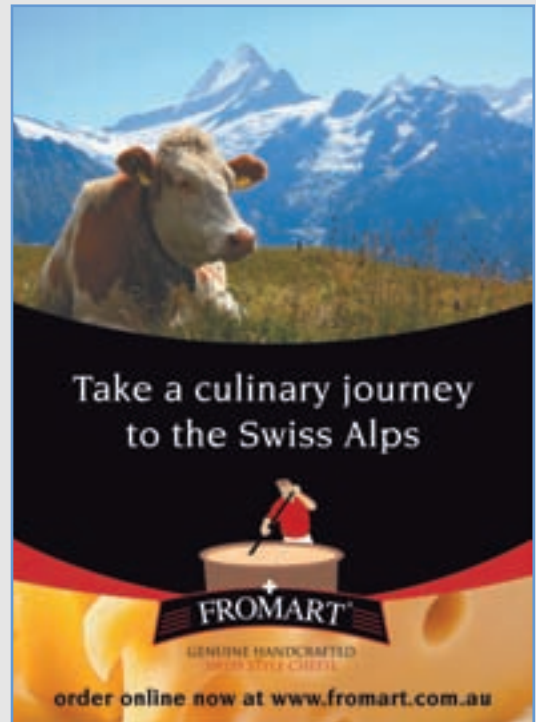

The Consulate urges anyone affected by the flooding or cyclone Yasi to make themselves known to provide assistance. Please contact the Swiss Consulate General under syd.vertretung@eda.admin.ch or phone 02 83834012 and ask for the Head of Chancery, Mr. Stefano Poretti.

In addition to the assistance of the Swiss Care Society, Charles Schnyder von Wartensee's "Stiftung für Überbrückungshilfen" (Natural Disaster Assistance Fund) is available through the Consulate General's office in Sydney. Anyone of Swiss citizenship, matriculated abroad and a victim of a natural disaster is eligible to apply for assistance, as long as it is within 6 months of the disaster. The purpose of the fund is to mitigate the hardship associated with disasters for individuals, not for businesses.

The help of the Swiss Care Society is open for every Swiss, double citizens or not. The last months have shown, that in the unfortunate case of natural disasters it is important that every Swiss is registered at the Consulate General in Sydney and the addresses, e-mail-details and phone-numbers (landline and mobile) are kept up to date.

"Grüezi mitenand"

I hope you had a safe Christmas break and thus far a good start to 2011.

As you may know, in early February some members and friends of the Club had a great time at Port Elliot. The BBQ on the camping grounds was ideal. We could bring our one "goodies" and enjoy a glass of wine without the long walk home.

On the 20th of March we have planned a Car Rally from Adelaide to Milang. It is not important to be the fastest; you just have to complete the questionnaire and have the answers right to win. The Club will subsidize the lunch and invite you for a coffee / tea and cake in the park.

On Sunday the 10th of April we have planned a Port River Cruise at Port Adelaide. Hopefully the weather will be nice and I hope that we may see many of the famous dolphins during our cruise along the river. We will meet in front of the Lighthouse, by the wharf and markets in Port Adelaide at 11 a.m.

We are also planning our 45th Anniversary celebration of the Swiss Club in SA. At this stage we are looking to hold a sit down dinner with live entertainment. If there are any members who know the names and or contact details of founding committee, stories or ideas for this event, please contact any one from the committee listed in the Swiss express. We want this to truly be a wonderful celebration.

Dear Readers

At this year's AGM, a new committee was elected and we are excited to be working together to ensure the Swiss traditions of functions are carried on.

We have planned an Easter Picnic, a Raclette or Fondue, the 1st of August Ball and Bonfire and the 'Samichlaus'. We will always be thankful for other suggestions and thoughts.

We appeal for the patronage of all members and non-members of the Swiss Club of WA to make these events bigger and better.

One of our aims is to increase the membership of the Swiss Club of WA. In times of natural disasters and hardship as we have seen recently, a close community is important to enjoy each others company and have assistance and reassurance.

By being part of the Swiss Club or coming to the functions, we can share in the traditions of our country and our heritage. For non-Swiss partners and children, this is also a way to gain a closer insight into Switzerland and what it is that makes us tick. Please visit our website for more info.

By the time this Swiss Review will land in your letter box we will have also had the AGM, so this is definitely going to be the last column I write in this magazine. I look forward to seeing many of you at future functions, where I will hopefully be able to sit back a little bit more ;-)
