Editorial

Dear readers of the *Swiss Review*,
My name is Brenda Andres; I joined the Consulate General in Montreal during the spring of 2009 as Cultural Affairs Coordinator and Editor of the cultural magazine *Horizon*, now proudly celebrating its 20th year of existence. Although my first position with our Representation was most enriching, I was delighted to take on new challenges as Assistant to our Consul General following Manuela Fuchs' departure and equally pleased to replace Manuela as editor for the regional pages of the *Swiss Review*. I encourage you to join SwissCommunity.org, this platform offers networking for compatriots worldwide via the web. I also invite you to follow Facebook & Twitter set-up by our four Representations across Canada, thus keeping informed of their postings and various interesting activities.

Vancouver: Swiss Canadian Mountain Range Association

The Swiss Canadian Mountain Range Association (S.C.M.R.A) looks back on another successful and accident-free outdoor shooting season. The highlight for the Association was the participation of seven members at the Rutli - Schiessen am Vierwaldstaedtersee, organized by the Kanton Schwyz, last November.

It was an honor for the S.C.M.R.A. to be invited to this traditional sporting event which has been taking place annually over the last 150 years. A representative of the Swiss abroad, the S.C.M.R.A. was placed in 24th position of the 49 groups present and its president, R. Zollinger, was 57th of the 1150 competing participants. What a great experience, congratulations to all!

The 10m indoor shooting started up again in January. Those interested may continue to practice Wednesdays and Sundays to prepare for the Schutzenfest which will take place at the end of February.

The Annual General Meeting will take place on February 8th, 2013 - please plan to attend.

For results, date changes and photographs - please visit our website: www.scmra.ca.

Calgary: Swiss Cultural Society of Calgary

Greetings to all fellow Swiss citizens living in Canada. It is my pleasure to write to you from the President's seat of the Swiss Cultural Society of Calgary (S.C.S.C.).

Stimulated by a highly enriching Presidents' conference held in Vancouver last spring, the S.C.S.C. has experienced fresh developments and the introduction of new activities for the young and young at heart. The Society's goals are to create a community that appeals to established as well as to newly arrived Swiss residents in the Calgary area and to offer its members a strong connection to their roots while benefiting of networking possibilities through camaraderie.

New activities include: the "Home Economics Sessions" which offers participants to master Swiss recipes passed on by older club members and the "Outdoor Group" which encourages various levels of hiking, cross-country skiing, camping and other outings organized in the beautiful Canadian Rockies.

The S.C.S.C. would not be where it is today without the commitment of past members and leaders. An increased collective excitement within the organization is palpable and has no intention of diminishing. The Society warmly invites new faces to join its current members – please visit the club's website:

Edmonton: Edmonton Swiss Men's Choir

The Edmonton Swiss Men's Choir's "Winzerfest" demonstrated the ensemble's musical talent as well as its culinary and organizational acumen, last November.

Elizabeth Lesoway Anderson, the choir's Musical Director since 1987, was awarded the "Con Spirito Award" by the Alberta Choral Federation for her significant contribution to the choral scene in Alberta. "Das Heimatland", a Swiss poem by J.G. Tobler, was set to music by the Canadian composer Alan Bevan and was dedicated to Gabrielle Voegeli for the occasion – another memorable highlight of the "Winzerfest" event.

The Edmonton Swiss Men's Choir (E.S.M.C.) is dedicated to excellence in public performance of primarily Swiss music, encourages individual and collective growth in a welcoming atmosphere of camaraderie, offers a rich experience; opportunity to travel and to improve one's singing technique through workshops, and continues to seek new members. If you are a Swiss fellow, are of Swiss descent or have strong ties to Switzerland please contact the club via its official website at: www.esmc.ab.ca.

Exciting upcoming events:

March 7th to the 9th, E.S.M.C. will participate at the Alberta Choral Festival.

April 20th, E.S.M.C. will participate in the "Run for Music" Fundraiser.

May 11th, E.S.M.C. will be special guests with the Mill Creek Colliery Brass Band, which performs "A Proms Celebration" at the Robertson Wesley United Church, 10209 – 123 Street, Edmonton.

Montréal: Les PiccB'ois

Les Picc(olos) B(âl)ois de la région de Montréal sont des incontournables du style musical "Fifres et Tambours", musique traditionnelle du carnaval de Bâle où le son perçant du piccolo/fifre répond aux roulements du tambour, notre répertoire musical originellement militaire est de nos jours très varié, s'agrémentant de thèmes classiques ou jazz. En plus de se réunir aux deux semaines, le groupe profite de diverses occasions pour se produire en public.

Die Basler Pfeiferinnen in Montreal sind die unerschrockenen Nachfahren der "Trummele und Pfyfe" Tradition. Basler Fastnachtsmusik mit markdurchdringendem, weithin schallenden Pfeifen und Trommeln militärischen Ursprungs steht neben Zeitgenössischem von klassischen Melodien bis zu Jazz auf unserem Programm. Wir proben alle vierzehn Tage und treten zu verschiedenen Festlichkeiten öffentlich auf. Ob Sie zeitweiliger Gast in Montreal sind oder musikalische Jugenderlebnisse nostalgisch auffrischen und wieder erleben wollen.

Montréal: Compagnie des Vignolants du Vignoble Neuchâtelois

Ambassadrice de Montréal, la Compagnie des Vignolants du Vignoble Neuchâtelois (CV₂N) a fêté en 2012 ses 30 années d'activité au Québec. Un voyage commémoratif aux sources de la compagnie fut le premier événement organisé par la CV₂N pour marquer cette étape. À cette occasion, 27 personnes ont été du périple. Elles ont fait la fête en Suisse y savourant des vins des Grisons, du Valais, du Lavaux et, bien sûr, de Neuchâtel. La 87ème fête des vendanges de Neuchâtel était le point culminant du voyage organisé par Harry Goetschi. Suite à l'ouverture de la fête, les vignolants québécois ont levé le coude dans les rues de la vieille ville au rythme des Guggenmusik.

Le travail du Directoire a également été récompensé par plus de 60 inscriptions à la Frairie anniversaire. Un repas de cinq services fut servi au restaurant "La Raclette" à Montréal. Le succès de ce dernier rassemblement encourage le Directoire à s'investir pour la Frairie de printemps qui se tiendra en mai 2013.

Bienvenue à toutes et tous.

INFO: MARLIS HÜSLER 450-293 4507

The next issue will return to the 4-page format and will focus on the election of the 5 Canadian representatives for the Council of the Swiss abroad (C.S.A.). I remind you that the C.S.A. represents the interests of Swiss expatriates before the authorities and public opinion in Switzerland.

Several achievements by the C.S.A. must be applauded: "the inclusion of Swiss living abroad in the Federal Constitution (Art 40), maintaining optional old-age and disablement insurance (AVS/AI), livelihood protection thanks to the Solidarity Fund, several civil rights revisions, information to Swiss abroad with the *Swiss Review*, promotion of training young Swiss abroad and the introduction of the right to vote by mail". Due to the importance of detailing this 4-year mandate, the April publication will allow little space for club activities.

Please do not hesitate to contact me via the revue-suisse@yahoo.ca, your comments are welcome.

La prochaine publication sera de nouveau réduite à quatre pages et se concentrera sur l'élection des 5 représentants canadiens au Conseil des Suisses de l'étranger (C.S.E.), l'organisme qui défend les intérêts de tous les Suisses et Suissesses de l'étranger vis-à-vis des autorités et de l'opinion publique en Suisse. Je vous rappelle que le C.S.E. peut se vanter de nombreux succès importants en faveur de la "Cinquième Suisse" dont: "l'inscription du statut des Suisses de l'étranger dans la constitution fédérale (art. 40), la sauvegarde de l'AVS/AI facultative, l'assurance des moyens d'existence grâce au Fonds de solidarité, plusieurs révisions successives du droit de nationalité, l'information des Suisses de l'étranger via la *Revue Suisse*, l'encouragement de l'inscription de jeunes Suisses de l'étranger et l'introduction du droit de vote par correspondance". En raison de l'importance de cette élection, la publication d'avril offrira peu d'espace pour les activités de nos clubs.

N'hésitez pas à communiquer avec moi via revuesuisse@yahoo.ca, vos commentaires sont les bienvenus.
